Exam fee	\$75 USD per attempt, set by Salesforce
Format	40 multiple-choice questions, 70 minutes
Passing	70%
Delivery	Testing center or online proctored; we help you schedule

DELIVERY METHODS

- Instructor-led training
- Immersive live-online training
- On-site and custom delivery

COURSE OVERVIEW

thinQtank[®] Learning is offering a unique two-day training camp comprised of two days of instructor-led learning that gives students the knowledge and skills needed to understand integration and MuleSoft fundamentals: project roles and lifecycle, core integration concepts, common integration problems and patterns, and Anypoint Platform for integration and API management.

MuleSoft Integration Foundations is the entry credential for the MuleSoft path.

This course prepares you for the **Salesforce Certified MuleSoft Integration Foundations** exam.

WHAT YOU WILL BE ABLE TO DO

- Explain integration project roles and lifecycle
- Use core integration terminology correctly
- Recognize common integration problems and patterns
- Describe API-led connectivity
- Navigate Anypoint Platform components
- Explain API management basics

COURSE OBJECTIVES

Primary course objectives, following the official exam outline:

- Integration project roles, responsibilities, and lifecycle
- Core integration concepts and terminology
- Common integration problems, use cases, and solutions
- Technical complexities and patterns in integration development
- Anypoint Platform for system integration
- Anypoint Platform for API management

EXCLUSIVE LEARNING PACKAGE

- thinQtank[®] Learning Accelerated Custom Exam Study Guide for this exam
- Practice exams built to the official exam outline
- Additional hours of remote lab access
- Custom video recordings for review
- Retake any or all of the course, in person or live online, for 24 months

SALESFORCE CERTIFICATION PATH

MuleSoft Integration Foundations
